

2nd World Congress on Water, Agriculture, and Climate

November 23-26, 2023. Prayagraj (U.P.), India

Introducing Awards for the World Congress on Water, Agriculture, and Climate

Dear Participant's,

As we gear up for the highly anticipated World Congress on Water, Agriculture, and Climate, we are thrilled to announce the introduction of prestigious awards to recognize outstanding contributions and innovations in the field. The awards aim to celebrate individuals, organizations, and Industries that have demonstrated exceptional dedication to the sustainable management of water resources, agriculture, and climate adaptation.

At this congress, we strongly believe in acknowledging and honoring those who have made a significant impact on our shared mission of fostering a resilient and sustainable future. The awards will be presented during a special ceremony at the event, providing an opportunity to celebrate the remarkable achievements of our peers and inspire others to follow suit.

We are pleased to announce the following award categories:

We encourage Departmental Heads, University Vice Chancellors, Directors and Heads of Sponsoring organizations, Institutions and Industries, to consider nominating deserving individuals or projects for these prestigious awards. Self-nominations are also welcome, as we believe that recognizing your own achievements can serve as a source of inspiration for others. The deadline for award nominations is [November. 10th, 2023], and all submissions will be carefully evaluated by a panel of esteemed experts.

To submit your nominations or learn more about the award criteria, please visit our congress website [<https://www.Iribaf.org/WorldCongressIndia/>]. We look forward to receiving your nominations and shining a spotlight on the incredible work being done in the realms of water, agriculture, and climate.

The World Congress on Water, Agriculture, and Climate promises to be a momentous event, and these awards will add an extra layer of excitement and significance. We sincerely hope that you will participate in this celebration of excellence and join us in recognizing the trailblazers who are driving positive change worldwide.

Should you have any questions or require further information, please do not hesitate to contact us at Email WorldCongressIndia@gmail.com :WhatsApp +91-9335354642.

Thank you for your continued support, and we eagerly anticipate your presence at the congress.

Best regards,

Rajendra Kumar Isaac
